- **What is the method of payment for my purchase rewards?**
 - At the end of a program period, fleets will be required to claim their earnings. Once the program data is certified, final standings will be posted to the FFN site and a claiming tile will appear. This tile requires fleets to select their payout option. The four payment options are Rewards Card*, Ford Fleet Care**, FordParts.com Promo Code, and the Ford Fleet Network Credits. Once you select your payment option, the Ford Fleet Network Team will begin processing your payout.
